

Al-Taqwa CBO

Serving Community | Empowering Lives

Organisational Fact Sheet - Kisumu County, Kenya

Who We Are

Al-Taqwa Community Based Organization (CBO) is a woman-led grassroots organisation established over 15 years ago in Kaloleni/Shaurimoyo Ward, Kisumu Central Sub-County. We improve community well-being through health interventions, gender-based violence advocacy, women's empowerment, good governance, and climate-change action.

Our Vision

A healthy, empowered, and resilient community where women lead, rights are protected, and sustainable development thrives.

Our Programmes

- Health & Disease Control - HIV/AIDS, TB, and malaria prevention and treatment support.
- Gender-Based Violence Response - prevention, safe spaces, survivor support and referrals.
- Women's Empowerment - financial literacy, table-banking, and leadership training.
- Governance & Civic Engagement - budget tracking and public participation.
- Climate Change Action - urban greening, waste management, and conservation education.

Our Partners

IOM, Suswatch Kenya, URAIA/TEAM, Uhai Lake Forum, and the Paralegal Society of Kenya.
